

**Exhibitions
November 2017**

Building

Via Monte di Pietà 23 • M3 Montenapoleone, M1 Duomo

• **A new gallery in the hart of Milan.** Created with the aim of exploring aspects of artistic enquiry and weaving a texture made up of different forms of expression.

It is an exhibition space that will host visual, performing and applied arts, installations and design. It's purpose is not just to highlight the work of well-known international figures, but also to dedicate space to ad hoc projects involving emerging talents.

• **Until December.**

"Continuo infinito presente" 3 gallery floors dedicated to the solo show by the sculptor Remo Salvadori.

Palazzo

Via Santo S
leone or M.
